

CONNECTICUT BIRD ATLAS – INCIDENTAL OBSERVATION FORM (WINTER)

Use this form to report species detected incidentally during winter (i.e., outside of timed 1-hour surveys).
Incidental records are especially valuable if they involve unusual or difficult to find species.

Observer: _____ **Email:** _____ **Phone:** _____

Address: _____

Please report all of the time spent on the project and your mileage on the [Volunteer Form](#).

Date (m/d/y)	Latitude/Longitude (decimal degrees)*	Block ID	Species	Count (optional)	Notes

*Instructions for getting this information from Google Maps are on the atlas web site. Alternatively, mark the location on a paper map and submit with this form.
